

SIDNI LEIGH

Makeup Artist

Wedding Brochure

Hello

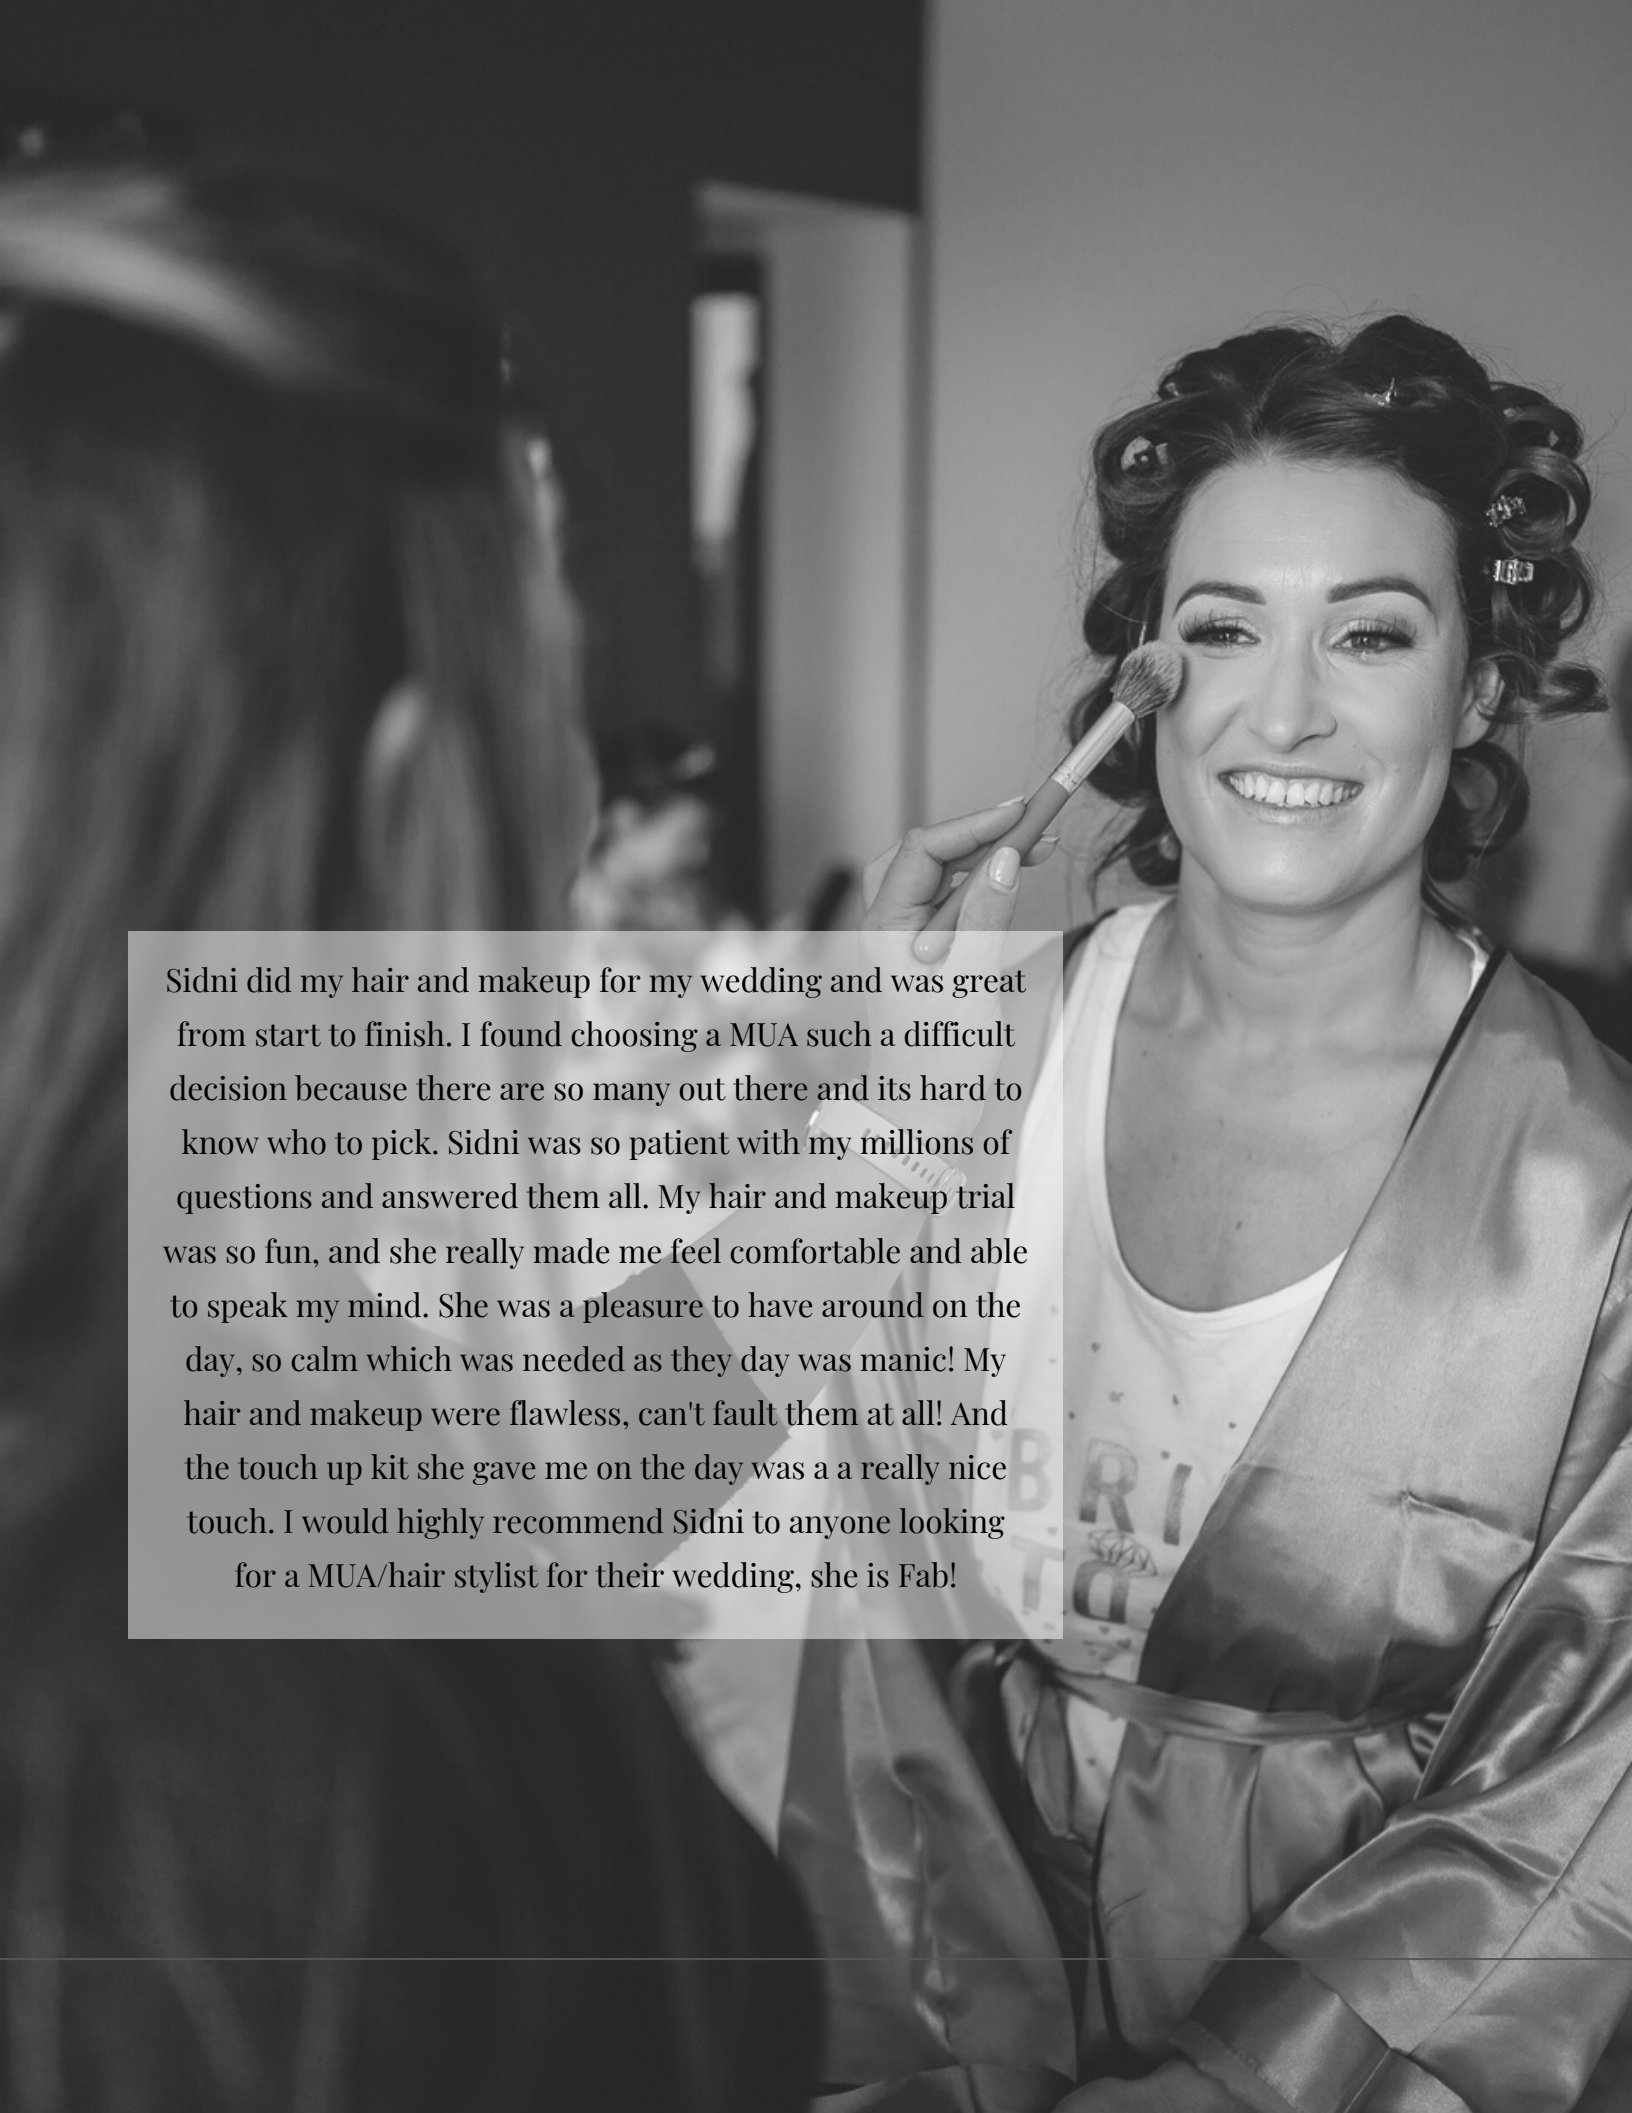

I'm Sidni

Congratulations on your engagement and thank you for enquiring with me for your wedding.

It's always such an honour and a privilege to be considered, hopefully this brochure will be able to answer some of your questions regarding wedding makeup and all that goes with it.

To me, makeup is there to enhance your natural beauty not to cover it! Every woman walking down the aisle on one of the most special days of her life is to feel confident..

If I'm not doing makeup related things, I'm with my family. Fabio my long term partner of 12 years (still waiting for my ring!) and our children Ben & Bella. I love the beach, coffee and Mediterranean food!

Sidni did my hair and makeup for my wedding and was great from start to finish. I found choosing a MUA such a difficult decision because there are so many out there and its hard to know who to pick. Sidni was so patient with my millions of questions and answered them all. My hair and makeup trial was so fun, and she really made me feel comfortable and able to speak my mind. She was a pleasure to have around on the day, so calm which was needed as they day was manic! My hair and makeup were flawless, can't fault them at all! And the touch up kit she gave me on the day was a a really nice touch. I would highly recommend Sidni to anyone looking for a MUA/hair stylist for their wedding, she is Fab!

What To Expect

wedding hair & makeup

My Makeup Style

I'm not for everyone, each makeup artist has their own unique style. I enhance what you already have, focusing on a soft, romantic look with a touch of glam, no cakes here unless we're eating them!

Accentuating your eyes and choosing a lip colour that goes in harmony with your overall look.

If you are looking to look the best version of YOU and still look like you then I am your girl.

Hairstyling

My style is textured, boho vibes nothing too structured, effortlessly done and long lasting. Crown Braids, Half ups, Pony Tails and Curls.

How Booking Works

If you would like to book me (yay!) then I would require a deposit and signed contract to secure the date.

We then arrange your preview so we can create your perfect bridal look together.

Our journey

You might be curious about what happens next after booking with me

01 *Induction*

Once you've made your initial enquiry, I'll confirm your booking and be at your service through email in case you require any assistance before your preview.

I'll get in touch with you directly via email to schedule your preview so there's no need to worry if we haven't arranged it yet.

Please feel free to email me to schedule a call if this is something you'd desire!

02 *Preview*

At your preview, we'll have a good chat about your wedding details such as your dress, hair, colour scheme, etc., so I can get a feel for the vibe you're going for.

We will create a look based on everything we've discussed. It's a great idea to bring a +1 with you too if you like!

03 *Wedding*

I'll arrive at the agreed-upon time to set up, and I'll have already sent you a schedule beforehand so you know how the morning will unfold. My main goal is to make your day as special and stress-free as possible. I'll have you ready about an hour/45 mins before the ceremony, allowing you ample time with the photographer & last minute adjustments.

I'll also be available for touch-ups just before you walk down the aisle to ensure everything looks perfect.

The Preview

Previews are mandatory with me, this is one of the most important days of your life and nothing should be left to chance, including your makeup.

This is a chance for us to connect, talk about your bridal look, working together with your chosen hairstyle, colours, style, theme, decorations, flowers and so much more and to see if we are a vibe. I'm one of the first people you see on your wedding morning so it's important my energy is what you want and need.

The preview takes place at the salon in Bow Street. We'll talk through your skin, colours, everything you'd like to create your bridal look so you can vision it before the big day.

The Wedding Day

I will check in on you after your preview and leading up to the big day. This is too see how your makeup/hair wore because it's possibly our first time meeting you and your skin/hair, a few tweaks may be needed.

On the morning, quite early in some cases! I'll come in with my best makeup a welcoming smile and a little bottle of something ready to prep you for the day and to dance the night away!

My aim is to make your morning as relaxed and stress free as possible and make you feel the most beautiful and confident woman walking down the aisle. My package includes a top up bag of personalised essentials to top up with throughout the day and the following morning.

I can also stay after the ceremony to do touch ups before your couple photos on the venue grounds

Time for your happily ever after...

Flower Girls

£10 per person

Stay on service

£50 per hour

This service is perfect for brides who would like to have their makeup refreshed after the ceremony ready for more photos. I could even stay for a second evening look.

Travel & Destination

I love travelling! Seeing new beautiful places is incredible. Please contact me directly for a destination quote as these are quoted on an individual basis.

- Brides & Members receive customised lashes in all packages
- Travel is calculated at 50p per mile round trip from my home address
- Wedding parties more than 4 may require an assistant
- Stay on service available, quote upon request
- Moving Fee £50. This occurs when we can't access the bridal suite until a later time. Please consult me before hand and I can advise on timings, it would be best to get ready in a hotel nearby so the change is smooth and efficient.

I only ever do one Wedding per day. This means I am exclusively yours right up until you walk down the aisle. I will assist you with your Wedding gown, accessories, jewellery, shoes and help with all the final Bridal details if you need me to. I love what I do so much and always ensure a high quality experience to reflect in each and every Bride of mine. That's why I go above and beyond, its all part of the service you receive with me.

All my Brides and their Bridal parties are always completed in Hair & Makeup 45/60 minutes before the ceremony begins. This is to ensure everyone has plenty of time for professional photographs with their loved ones. I provide makeup touch ups for everyone to look and feel the very best before all leaving for the aisle.

From your initial enquiry ahead of your Bridal Preview and Wedding Day, I provide unlimited communication between my Brides and I. My Brides can contact me for anything to help with the lead up to their Wedding day.

The makeup brands I use are mainly premium and luxury, these products have been handpicked by me to make sure they not only look and feel great in person and photos but last all day right through to dancing the night away!

Makeup brands I use are; Charlotte Tilbury, Bobbi Brown, By Terry, Laura Mercier, Nars, ABH, Dior & more

A close-up portrait of a woman with a joyful expression, wearing a white lace dress and a crown of colorful flowers. Her hair is styled in an updo. The background is softly blurred, showing a hint of another person's shoulder in the foreground on the left.

Sidni was incredible. I'm vulnerable and she adapted both the trial and the big day in such a way to help keep me safe. Communications were clear and prompt and the booking and planning phase simple and straightforward. A* for adaptable customer service and kindness! Apart from that, the hair and makeup was amazing. I got ready at noon and everything was still exactly in place when I went home after midnight, after partying dancing and happy crying all afternoon and evening long. Everyone kept commenting how beautiful I looked and how amazing the hair was. Sidni's a true professional whom I'd recommend for any big life event where you want to look and feel a million £, that stays and stays and stays, and is totally reasonably priced for the amazing outcome.

Frequently **asked questions**

How far do you travel?

- Don't fret if you're getting married further away, I travel all over the UK and destinations too.

What timings do you recommend?

- Following your preview I will have a good idea of what your wedding look is and how long I will need to recreate it. A bridal party member is usually 45-60 mins each.

Do you have a maximum booking?

- Yes I do! A bride and her parties makeup shouldn't be rushed. If your wedding party is 4 or more with an early ceremony time I would ask for you to organise another makeup artist to work along side me.

Do you do full glam/Instagram makeup?

- My style is more natural, soft glam (red carpet), no harsh contouring and the eyes are not heavy with huge fluttery eyelashes. Every makeup artist has their unique strengths and mine may not be there.

What if I need to cancel?

- Cancellation will be subject to the following charges:
- Deposits are non refundable
- 6-8 weeks 50% of the outstanding balance
- 4-6 weeks 75% of the outstanding balance
- Up to 4 weeks before the booked date - full balance
